TRADITIONAL INCLUSIVE CREMATION

£3,695

We are able to offer a traditional inclusive cremation funeral service at Seven Hills Crematorium in Nacton. This would include our professional fees and disbursements (these are fees such as the doctor's cremation certificate, Minister/Celebrant fees as well as the cremation cost). It will include our York coffin. This service is offered Monday to Friday for a single timed service only. We are able to have a dedicated funeral route as part of the service, such as leaving from a local, home address. We will always speak with you to confirm the best date and time for the service and we do not place any restrictions on you with this. We can dress your loved one in their own clothing and we do not charge for visiting them in our chapel of rest. We will be able to administer charitable donations in memory of your loved one if you so wish.

NON SERVICE FUNERAL

£1,995

This is sometimes known as a 'Direct Cremation' and is simply the provision of a low cost, unattended cremation without a service. This option will not allow mourners to be present at the crematorium. Again we include our professional fees plus that of the cremation.

We understand that funeral costs are constantly increasing throughout the UK. It is our aim to help keep these costs as low as we can. In order to do this and not have outstanding debts we will require the funeral invoice to be paid 48 hours before the service in cleared funds. This way we are not increasing our fees due to someone else's debt.
