Traditional Inclusive Cremation

We also have an all inclusive cremation funeral service at either Seven Hills Crematorium or Ipswich Crematorium that will include both our professional fees and disbursements (these are fees such as doctors certificates, minister/celebrant fees and cremation fee). It will also include the York coffin. You are able, if you so wish, to upgrade the coffin or add limousines. This option doesn't include order of service cards or floral tributes.

The fee for this is £2,965.00

We can also do what is known as a 'Direct Cremation'. This is a restricted option and will not allow for any mourners to be at the service. Again, we include our professional fees plus that of the crematorium.

We understand that funeral costs are constantly increasing throughout the UK. It is our aim to help keep these costs as low as we can. In order to do this and not have outstanding debts we will require the funeral invoice to be paid 48 hours before the service in cleared funds. This way we are not increasing our fees due to someone else's debt.

We aim to be very clear and transparent in our pricing structure.

Please see the following for a breakdown of our fees.

We are available 24 hours a day, 7 days a week and can advise you accordingly by telephone, email or home arrangement if required. We will carry out all administration, contact third parties such as doctors, clergy, crematoriums and cemeteries and, in some cases, H.M. Coroner.
