Traditional Inclusive Cremation

We are able to offer a traditional inclusive cremation funeral service at either Seven Hills Crematorium or Ipswich Crematorium that will include both our professional fees and disbursements (these are fees such as doctors certificates, minister/celebrant fees and cremation fee). It will also include the York coffin. You are able, if you so wish, to select a different style of coffin for which prices are available on the reverse.

The fee for this is £3,125

Non Service Funeral

This is sometimes known as a 'Direct Cremation' and is simply the provision of a low cost, unattended cremation without a service. This option will not allow mourners to be present at the crematorium. Again we include our professional fees plus that of the cremation.

Funeral newspaper notices

We understand that funeral costs are constantly increasing throughout the UK. It is our aim to help keep these costs as low as we can. In order to do this and not have outstanding debts we will require the funeral invoice to be paid 48 hours before the service in cleared funds. This way we are not increasing our fees due to someone else's debt.

We aim to be very clear and transparent in our pricing structure.

Our professional fees include the following

We are contactable 24 hours a day, 7 days a week. We will help you arrange the funeral service for your loved one at the funeral home, by home arrangement or by email and telephone.

We will carry out all administration, contact third parties such as doctors, clergy, crematoriums and cemeteries and in some cases H.M. Coroner.

We will bring your loved one into our care within a 30 mile radius of IP11 at anytime, day or night.

We will provide our own black motor hearse on the day of the service from our funeral home to the place of service. Other hearse alternatives are available (this will incur an additional cost).

Provision of pallbearers and attendants on the day of the service. Due to health and safety we may at times decide to use a wheeled bier. If more than six pallbearers are required there will be an extra charge.

The Funeral Director on the day of the service will liaise with family and mourners and provide assistance thereafter. The Funeral Director can be male or female.

We can dress your loved one in their own clothing and this can be carried out by either male or female staff. We provide the facilities to care for your loved one until the day of the service and they will always remain in our care until the day of the funeral. Viewing can take place at the funeral home by appointment.
