TRADITIONAL INCLUSIVE CREMATION

£3,225

We are able to offer a traditional inclusive cremation funeral service at either Seven Hills Crematorium or Ipswich Crematorium that will include both our professional fees and disbursements (these are fees such as doctors certificates, minister/celebrant fees and cremation fee). It will also include the York coffin. You are able, if you so wish, to select a different style of coffin for which prices are below.

NON SERVICE FUNERAL

This is sometimes known as a 'Direct Cremation' and is simply the provision of a low cost, unattended cremation without a service. This option will not allow mourners to be present at the crematorium. Again we include our professional fees plus that of the cremation.

We understand that funeral costs are constantly increasing throughout the UK. It is our aim to help keep these costs as low as we can. In order to do this and not have outstanding debts we will require the funeral invoice to be paid 48 hours before the service in cleared funds. This way we are not increasing our fees due to someone else's debt.
