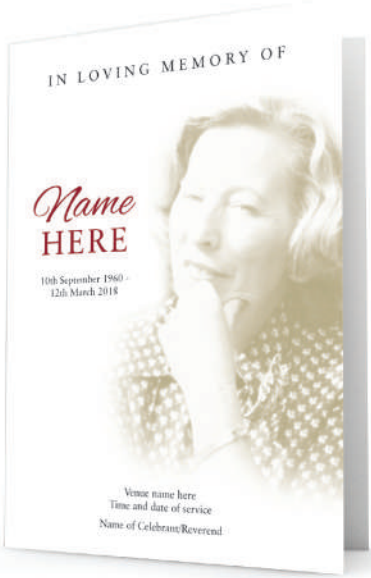
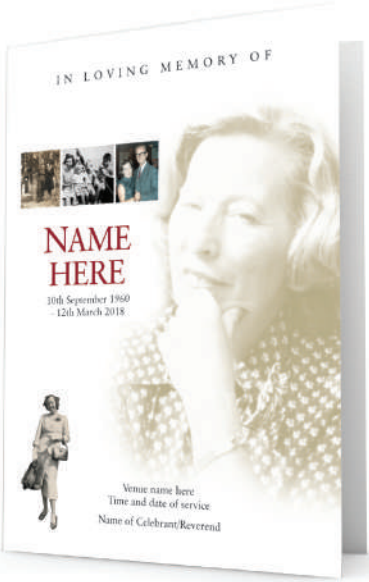
Bespoke Designs

Our Bespoke designs are inspired by the photographs provided, and our designers draw inspiration directly from these images to create a montage design that reflects the personality, interests, and cherished memories of your client's loved one.





Photographs will be digitally enhanced and faded to create a pleasing vignette. Other images may be added and blended to create a balanced photo montage. Each Bespoke is completely unique and dependent on the photos supplied. Inside pages to include service running order. Back cover to feature the Funeral Director's logo and contact details, plus a QR code or link for donations (if applicable).
